Dear Parents,

I want to be sure everyone knows about the different financial opportunities available to help you afford the great education St. Bernard has to offer. The income guidelines for 2018-19 are attached. If you qualify for an SGO (right hand column) be sure to file with FACTS at <https://online.factsmgmt.com/signin/3Y44M>, create a username and password, and remember to send in the supporting documents so they can be verified. The scholarships will be given in late fall or early winter and will be at least \$500. Once you have received an SGO (Tax Credit Scholarship), you can qualify for the Indiana Choice Scholarship (voucher) for grades 1-6. The Choice Scholarship guidelines are in the left and center columns. This is a large reduction in the amount paid by families. If you know someone who has completed two consecutive semesters in a public school, share this information with them. They can qualify without the SGO. We also have financial aid available and applications can be picked up at the office after the enrollment period is final. If you have specific questions, please contact me.

In the service of Christ,
