Message from the Principal

I thank God for those serving in our Armed Forces and for all our veterans.

HASA voted to fundraise using two great gift ideas, Soup & Candles. The soup will be on display near the office for purchase and the candle order forms will come home next week. Purchase some, sell them, or give them away! With everyone's help, we can earn the money we need to show appreciation to the teachers.

Nov. V.I.P. focus ~ *Selfless*

In the service of Christ,

Mrs. Carroll.

Prayers

Please pray for our school. Thank you!

You missed great desserts and give-aways. Much information was discussed and votes were cast for a variety of ideas. Don't miss out on important

information; come to the next HASA meeting!

Math-a-Thon

Children need our kids' help! Math-a-thon is a great way for our students to help children their age. They just need to turn in the Math-a-Thon form, ask family and neighbors to sponsor them, and do the math. Mrs. Dyer has the math booklets in the office. The money raised will go to help children at St. Jude Children's Hospital.

Principal's Challenge

The November Principal's Challenge is to talk about a famous speech that was given on Thursday, November 19, 1863. PK & K: Name it!; 1 & 2: Name it & tell who gave the speech; 3: Name it, tell who gave it, & how it begins (1st sentence); 4 & 5: Name it, who gave it, say the first sentence, & how it ends (last sentence). Notice - this year Nov. 19 is also on Thursday.

Schwans Cares

If you haven't tried Schwans, yet, you can get signed up to support St. Bernard and grocery shop without leaving your couch. Schwans will deliver your items to your door. Directions for getting started are attached. When you login you can support the campaign only or pick a team member to support. Thank you!

SCRIP

Thank-Scrip-ing Day is Thursday, Nov. 26. You can get extra % when you order from specific vendors all day. Many have ScripNow that can be used for Black Friday or Cyber Monday shopping. You can order physical cards on Monday, Nov. 23. Be sure to order before 10:00 AM. Need help? Ask Mrs. Zumbaugh, Mrs. Benner, or Mrs. Johnson. They are experts!

VOLUNTEER OF THE WEEK

Our volunteer of the week is HASA officers, Marie Coffman and Jennifer Bailey. They made and supplied the delicious desserts for the HASA meeting. Thank you!

Box Tops & Labels for Education

We need a couple of people to count and prepare Box Tops and Campbell's Labels to send in and a chairperson to stay current on bonuses and contests. This could be one person, or a couple of people working together. A HUGE thank you to Sarah Geiger who took care of this for us and helped us earn an extra \$1000 last year!

*TUITION IS DUE
MONDAY!*
