Dear Friend of St. Bernard School,

God's blessings to you and your families. St. Bernard School is such a gift to Wabash and the surrounding areas, providing a quality Catholic education for 100 years.

We are a Christ-centered environment welcoming all children regardless of ability, faith, social or economic background. St. Bernard School offers high academic achievement opportunities to students, including citizenship, leadership, and work ethic. We are dedicated to forming citizens for God and country.

90% of our students receive financial assistance. There are numerous families who are filled with gratitude, thanks to the scholarships their children receive from generous supporters.

In order for the school to continue offering a quality Catholic education, we need your help. Our goal is to raise approximately \$60,000 to help cover costs that aren't able to be covered in parish subsidy.

Please prayerfully consider helping keep St. Bernard a quality Catholic school where all can grow to their maximum potential. If St. Bernard has been part of your education or your child's education, please be as generous as you can to allow future students the opportunity to achieve great things.

If you are unable to contribute financially at this time, would you consider donating your time or talent? We could use help with marketing the great things we do to help increase enrollment and awareness of fundraisers. We could use volunteers for recess as well as other activities, too. Contact the school at 260-563-5746 if you can help. Thank you!

In Service of Christ and St. Bernard Parish,

Mrs. Abigail Stanley
